Community Notices

Leaf Blower Times

The following times are when it is possible to hear leaf blowers in our community. Consider closing your windows during these times to help with noise or dust.

- Thursday between 7:00am to 12 :30pm
- Friday between 8:30 to 2:00 pm.

Tree Trimming

Beginning the week of April 20, our landscaping contractor will begin annual tree trimming. This project is expected to last approximately two weeks.

There will be large trucks and heavy equipment in the community, so we ask for your patience with the crews working in the area.
