

THE FOUNTAINS HOA

March 18, 2020

Dear Owners,

In keeping with the current recommendations of the CDC and State of California coronavirus guidelines, we have cancelled our March 19, 2020 meeting.

In addition, we are closing the pool/spa area, as well as the clubhouse until further notice.

This will assist in keeping activity levels at a minimum and help with social distancing that the CDC is currently recommending. We will update as more information is available.

Thank you and stay well.

Sincerely,

Board of Directors

The Fountains HOA
