

The Fountains HOA

April 16, 2020

Dear Owners/Residents-

The Board is doing its part to limit the risk of the virus spreading and contamination within the community. Some reminders below to help with living in a community.

- We ask that you continue to be mindful when using the common area gates or doors, that your hands are clean/sanitized or wear gloves. Please remember social distancing is required, which is a minimum of 6' apart.
- Per the City of Long Beach Health and Human services as well as county guidelines, we are requesting that face coverings be worn while in the common area.
- We understand that schools are not in session and home schooling is the new normal. We do want to remind everyone that The Fountain's rules are still in effect, and therefore streets are for vehicles and not for bikes/scooters, and skateboards. This is for the safety of all residents. There are many more delivery type vehicles using The Fountain's streets and are unsure of unit locations, thus not paying attention, which could be a concern if residents are using the streets for play.
- We are going to postpone the Annual Election until we have a date that will work for that type of meeting.
- Trash disposal-With more people home and receiving more boxes by mail/delivery, it's vital that everyone breakdown their boxes and utilize the recycle bin properly.

We truly appreciate your cooperation and we thank you for your continued support and please stay healthy and safe.

The Fountains HOA- Board of Directors
